## **SAN Summer Adventures Nassau** **Residential Workshop July 21 – 27, 2025, Reggio Emilia**

Nassau Teatro APS is a legally recognized socio-cultural association.

Founded in April 2023, Nassau Teatro APS was born out of the need to create a place where children, young people and adults could meet and share their passion for theater, as well as a dialogue between multiple artistic languages such as dance, singing and photography.

In concrete terms, the association works on a variety of activities, such as drama and performing arts courses, theatre productions, workshops, masterclasses, coaching and cultural events.

The **SAN Summer Adventures Nassau** summer camp is scheduled for summer 2025.

It's a residential experience for young people aged 14 to 25 who want to experience theater and theater training during the summer.

Highly qualified teachers will lead the various theater workshops in which young people will participate, immersed in the magical venue of the Nassau Theater: Borgo delle Querce, in Reggio Emilia, Italy.

## THE WORKSHOP

### How it works

The experience was created in response to the need to resume summer drama courses aimed at learning key interpersonal life skills through performative language, and to offer training to young people interested in deepening and professionalizing their skills in the performing arts through workshops with drama, dance, mime and directing teachers.

Workshop content will focus on acting techniques, character study, choreography techniques and scenic art, staging movement on stage, improvisation, lighting engineering notions.

All content will be covered through practical exercises and group work.

Participants must be at least 14 years old.

The project includes a residential course **FROM JULY 21 TO 27, 2025**, at Borgo delle Querce, Nassau's headquarters. It's a building dating from the mid-18th century, completely renovated and surrounded by greenery along the Via Emilia.

Check-in will be at 5 p.m. on July 21. All meals will be provided by the organization, from dinner on the first day to breakfast on the last.

Accommodation will be in multi-bedded rooms with shared bathrooms.

The Borgo delle Querce has an inner courtyard, a large park, two rehearsal rooms and a studio.

Accommodation is considered an integral part of training.
